Participants say

*I would recommend Linda's courses to others who deal with the public on a regular basis so they can learn to deal effectively and efficiently with work place stress and difficult persons. The courses are taught in a relaxing and open environment. I highly recommend any course Linda offers.

...you always have good advice and your efforts are really appreciated.....Brian, North Bay

I just wanted to let you know that Linda did an incredible job with our retreat on Friday. She is a phenomenal speaker and had our group completely engaged the entire time (which can be hard to do!). Her professionalism and fun attitude really made the day great. It was exactly what we were looking for! Tracey A.
